

ACTIVITY 9

Winter Size Sorting Jars

¿Grande o Pequeño?

- 1 Cut out the snowflakes, mitten and pine tree circles. No need to cut out the jars.
- 2 Your child can sort the images: the big “grande” ones go into the big jar and the small “pequeño” ones go into the small jar.
- 3 You could present all of the images at once, or you could only lay out the snowflakes first, depending on what challenge suits your child’s age.

CORTAR
